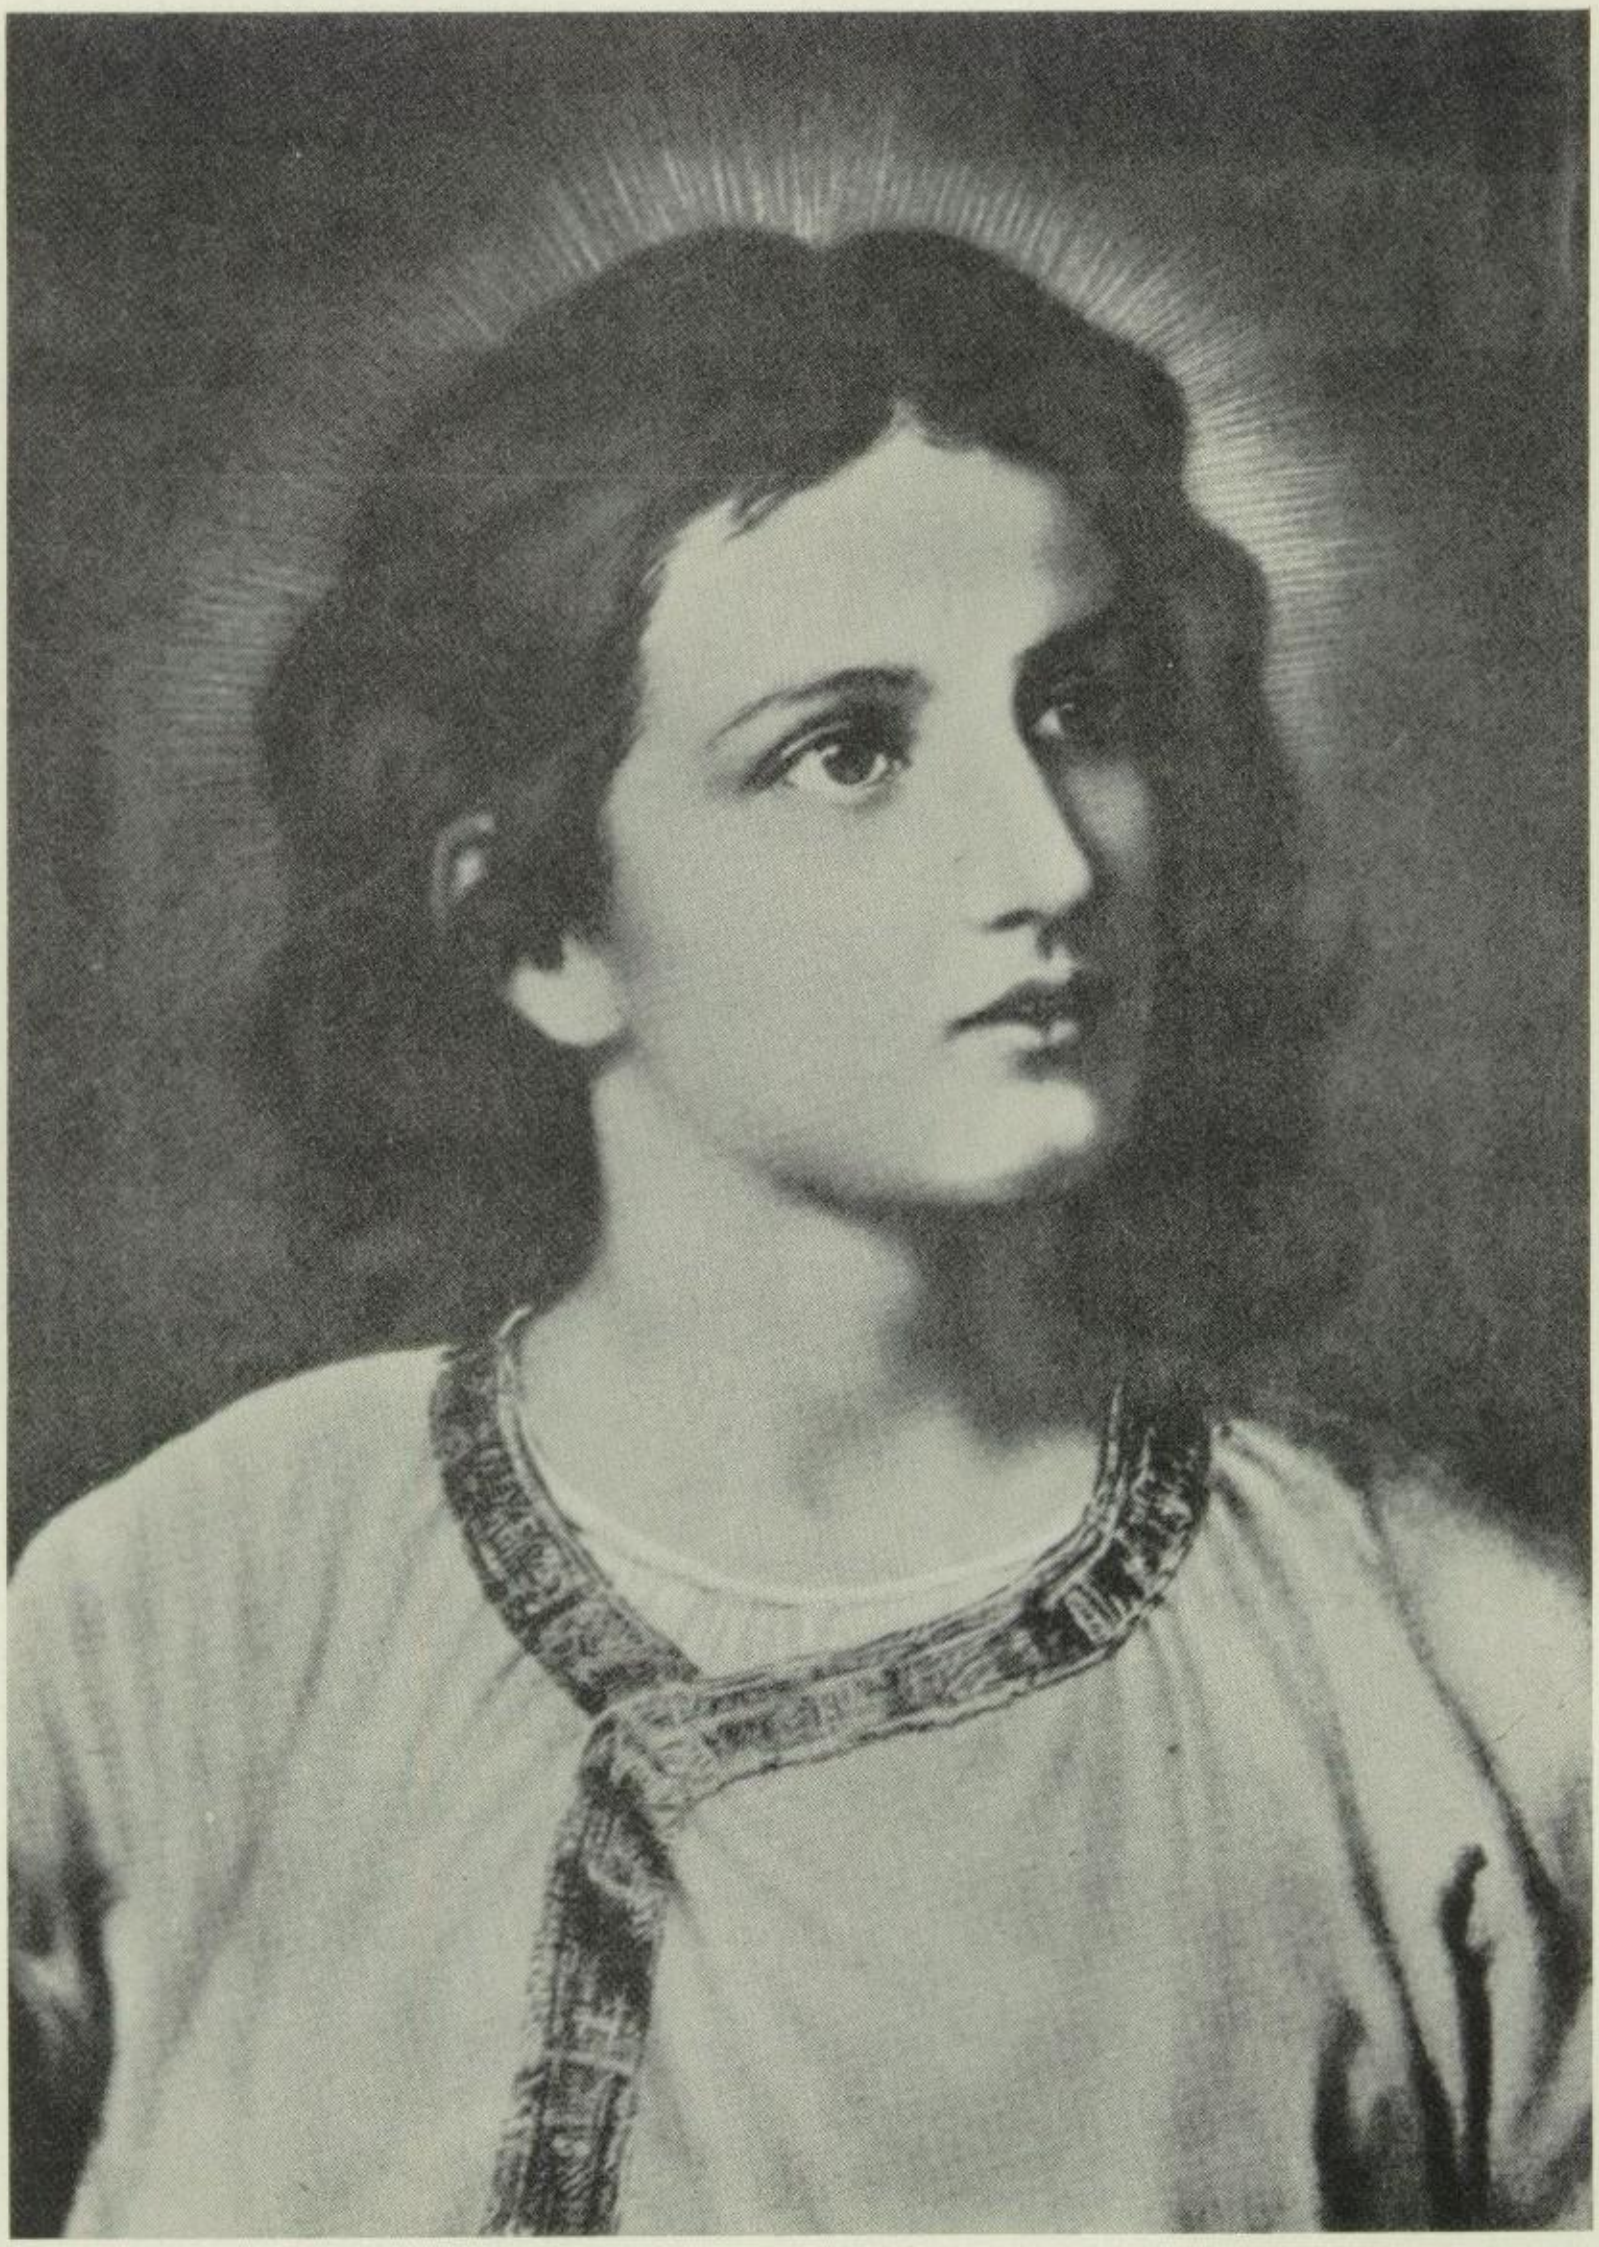
THE SENIOR CLASS PRESENTS

THE MARIAN

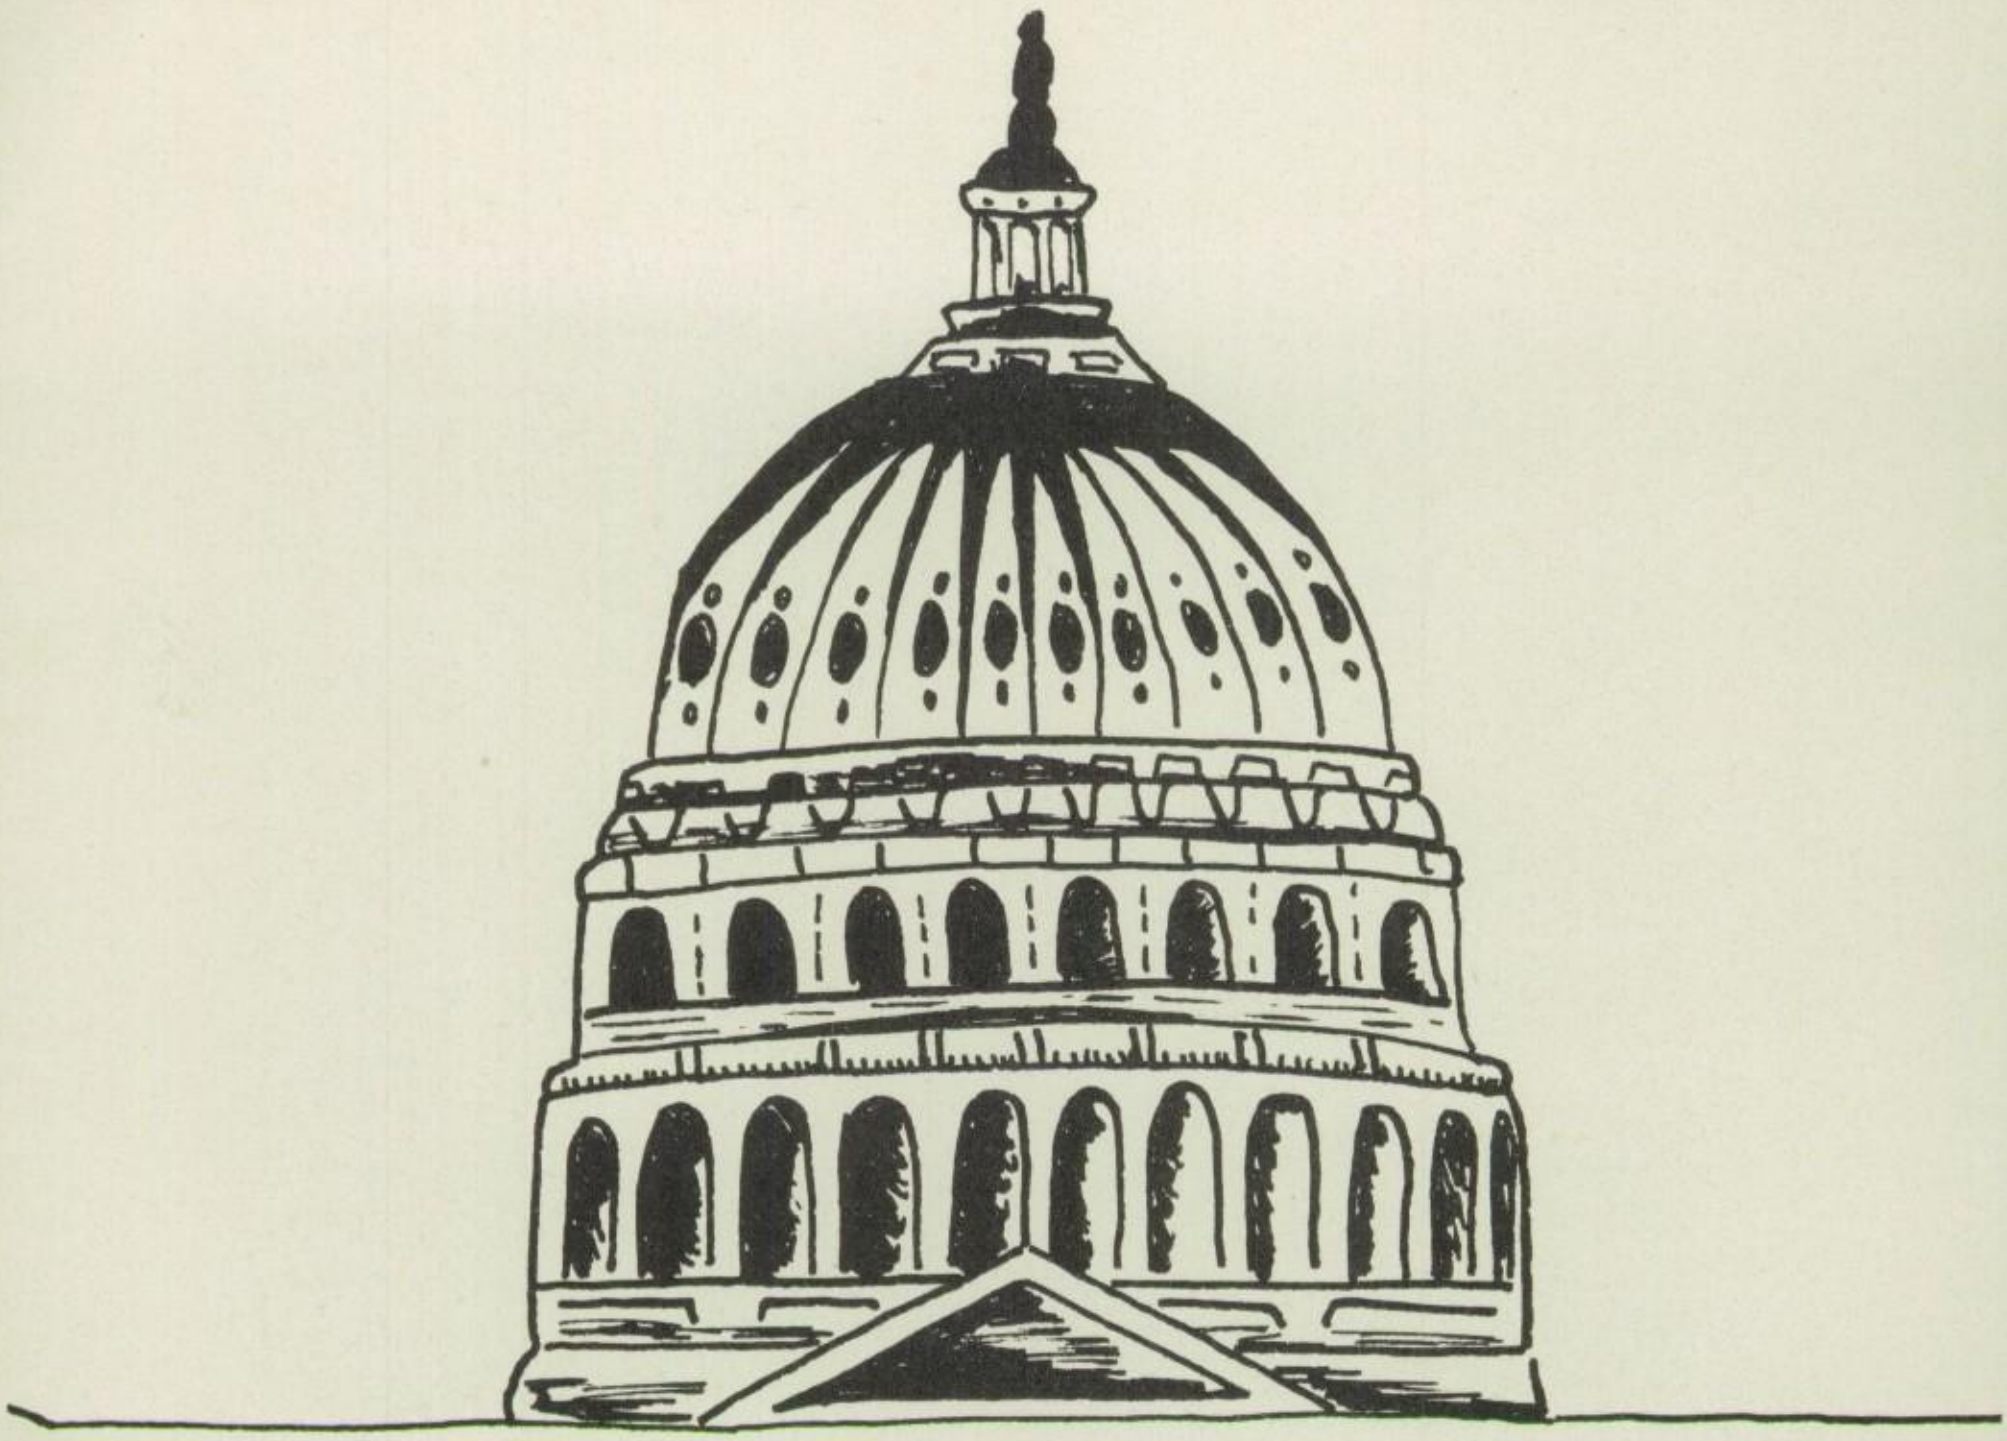


Christ, the Perfect Model of Youth

DEDICATION

To the Parishioners of Saint Mary's we lovingly and devotedly dedicate this number of THE MARIAN. Those valiant men and women who have labored diligently and given generously of their material goods have made possible a thoroughly Catholic secondary education for the future citizens of America. They have prized the heritage which is theirs—the youth of today—the men and women who will shape America's destiny tomorrow. The parish Catholic Action in which those good God-fearing and God-loving men and women participate represents to the public religion in practice. It is an inspiration to youth, an example which they may profitably follow.

Our Reverend Pastor, his able Assistants, and the Sisters of Mercy join the Marian Staff in this expression of gratitude to a group of people without whom Saint Mary's High School could not continue to operate.



FOREWORD

This year's graduating class has selected as its theme, *Youth, America's Richest Heritage.* Four years of study and training in Saint Mary's High School have prepared us in some measure to fulfill the hope of our country. Our year book contains the story of a part of the preparation for the future. We have separated these pages to include the organizational, cultural, social, recreational, and religious phases of the past four years. These highlights of our high schcol days will serve as a reminder of what has been done for us and as an incentive to become loyal and God-loving citizens of America.

Taken from
"Claremont Daily Eagle"

The present Comet Squad lists Jim McGuire, Norm Boucher, Dave Gaudette, Al Palmer, Jimmy Tebo, Rich Morin, Tony Sadoques, Ron Morin, Gene Jacques, Pete White, Pete Lesnick, Vic Potvin, Ken Patch and Johnny Brooks.

Belair has been working the following boys at the listed positions: McGuire and Sadoques, first base; Jacques, second base; White, third base; Lesnick, shortstop; Potvin, left field; Boucher and Brooks, center field; Gaudette and Patch, right field; Tebo and Dick Morin, catch.

McGuire, Gaudette and Boucher are the leading mound candidates but Belair hasn't decided which youngster will get the nod against St. John's Saturday.

The Comets, with a few notable exceptions, are small this season and opposing chuckers may have trouble finding the strike zone consistently against Blue and White batters, especially if Belair can teach his youngsters to wait for the good pitch.

As usual the Claremont parochials are blessed with spirit, hustle and scrap galore. These characteristics will enable the Comets to win games in which they are rated underdogs.

Inexperience will probably cost the Belairmen a few games as the season gets under way but by mid-May the St. Mary team may surprise even the most pessimistic Blue and White rooters. One thing is certain, Belair will get the most out of his material.
